

Share your passion for supporting the next generation!

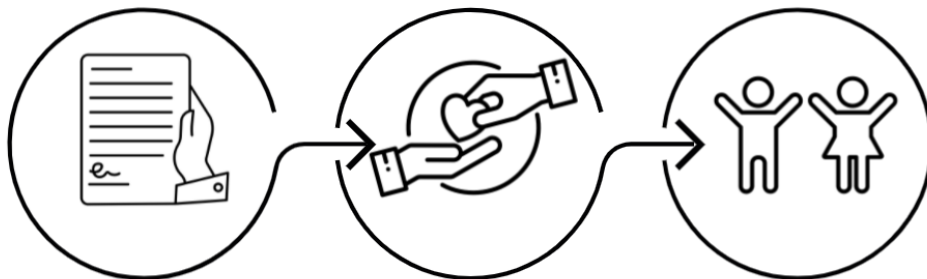

WHAT IS GIVING FOR KIDS?

Giving for Kids is an online community and pledge program. By joining Giving for Kids, you help create a society where donors think about kids and youth when they give. You will be part of a network of people including celebrities, athletes, kids advocates, parents and grandparents who want to make the world a better place for all young people.

Take a public pledge and share your passion for supporting the next generation!

HOW DOES GIVING FOR KIDS WORK?

- 1 Join Giving for Kids**
Pledge to direct the majority of your giving to causes that support kids and youth
- 2 Increase Our Impact**
Encourage others to follow your lead and think about kids in their giving
- 3 Advocate With Our Community**
Get inspired, speak up, and act on behalf of the next generation's well-being

Giving for Kids has no net worth requirements, is not a fund, and does not accept or solicit contributions or distribute grants or donations.
